## Ezina's Bio/Introduction

Ezina has been called the Star Whisperer, Queen of Content Creation and The Millionaire Medicine Woman. Her programs help artists and entrepreneurs to use their spiritual star powers to create multiple streams of income, create their own economies and build empires that they love.

Ezina is the author of 20 books on artistic business success, founder of the Star Mastery Academy, Indie Artist Bootcamp, Guitar Goddess, Inc., 40 Day Book Challenge, Planneration: Planning for Profits, Opus Wings Foundation and the creator of the Soul Star Blueprint: a proven system to get clarity on your soul star, your star power and your sales system.

As an Actress, Author, Recording Artist and self-made millionaire, Ezina knows how to help you develop and utilize your superpowers. She helps her clients to succeed in fast-changing environments by igniting their star powers within their industry.

Ezina is a graduate of the University of Michigan. She is a sought-after speaker who has shared the stage with business leaders across North America.

## Workshop Facilitator

Ezina leads workshops related to Meditation, Motivation, and Mastery. Her workshops focus on arming attendees with tools and resources to increase productivity and sales. Ezina combines mindfulness with movement to get the audience to embody what they are learning. Participants leave with a renewed sense of enthusiasm for their positions and skills for managing stress and living a more balanced life.

## Motivational Speaker

Ezina is a frequent motivational speaker for keynotes, workshops, and seminars in the U.S. Her multi-hyphenate career has gifted her a unique set of skills that relate powerfully to the audiences she addresses.

Whether a small intimate team or an audience of thousands, Ezina inspires and motivates each listener, equipping them with a new sense of empowerment and practical tools to help them live the life of their dreams.

Ezina is often asked to share concepts from her popular book, “Grow Your Star”, which is full of tools and strategies for achieving personal and professional dreams, navigating difficult people and situations, working with or being a mentor, and enduring through the tough times of being unrecognized, unrewarded, and underpaid.

Ezina works closely with each organization to understand their unique goals and tailors her content to their needs. Every group is unique so while Ezina’s core messages are consistent, the framework and structure are uniquely designed for each group she addresses.
